Greetings Fellow ACS Staff,

We are writing to recommend the services of ChariTEES, a t-shirt company specializing in working with nonprofits. The South Palm Beach unit used the company for MSABC t-shirt logo imprinting and committee/volunteer t-shirts. The company is based in Oakland Park, FL.

Pricing for the shirts and sponsor logo printing was competitive and the service was very good. By using this company, we were able to pay less for a larger shirt order than the previous year.
