Dear Jeff,

On behalf of the Race for the Cure® Committee, the Board of Directors and staff of The Susan G. Komen Breast Cancer Foundation *South Florida Affiliate*, I would like to thank you for your "Business for the Cure" Sponsorship of \$500 for the 2006 Race for the Cure®. The Foundation is fighting to eradicate breast cancer as a life-threatening disease by advancing research, education, screening and treatment. Your support of our work in the community helps us get closer to that goal every day. For your records, we are a 501(c)(3) organization. Our Federal I.D. number is 65-0254225.

Locally, the Komen Foundation funds many programs including innovative breast cancer education as well as screening and treatment projects for medically underserved individuals. Each day, many local woman and men receive the life-saving treatments and messages of early detection through outreach efforts funded by the Komen Foundation. We are currently funding more than \$1,000,000 in Mammography and Community Grants in Palm Beach, Martin and St. Lucie Counties. Your support truly does make a difference right here in our community.

As the excitement builds for this season's Race for the Cure® we are anticipating record numbers over last year's success of almost 19,000 participants. The 2006 Race expects to have over 20,000 participants and supporters in attendance. Together, we are all fighting the battle against breast cancer. Thank you for caring and supporting our efforts in the community by becoming a 2006 Race Sponsor. This event promises to be one of the most memorable events of the season. We look forward to seeing you at The Race on January 21, 2006.

Sincerely,
