

a future without Crohn's disease & colitis

April 23, 2008

ChariTEES  
Mr. Jeff Firestone, President  
P.O. Box 27-3826  
Boca Raton, FL 33427

Dear Jeff:

Thank you so much for the fantastic job that ChariTEES completed for the South Florida Take Steps Walk to benefit the Crohn's & Colitis Foundation, Florida Chapter. We originally called with an order for 80 yellow volunteer shirts that needed to be printed in black and white and ready for pick-up in a week and a half. We then phoned you back 1 week prior to our event and needed to order 500 additional shirts, but this time we had 4 different colors on the front and many corporate sponsor logos for the back. You did everything you could to help us out and everything was completed on time and looked perfect. I would recommend ChariTEES to anyone! You gave us the best price, great customer service, great quality and you even called us to let us know they were ready and waiting. Thanks for making this a great experience. We will definitely use you for all our printing needs.

Sincerely,

Alane Berdy  
Walk Manager
