Dear Mr. and Mrs. Firestone,

Thank you kindly for your gift of \$1,000. We are most appreciative of your generosity.

Your gift will directly benefit our program for our young men. Our goal is to teach our boys the skills and knowledge they need to become self-sufficient, proud adults by the time they transition to independent living at age 18. Donors like you have helped us to sustain the broad curriculum we offer our boys, with wonderful results.

In the past year:

- We have reduced the percentage of boys with less than a 1.0 GPA by more than 50% thanks to our AIM Tutoring Program
- 90% of youth in the Hands-on-Art program demonstrate fewer behavioral issues at The Haven and at school
- 75% of our Early Essentials for Work Readiness participants improved their time management and money management skills – vital skills for independent living – and 50% successfully obtained jobs.

Your support of our program is valued. From everyone at The Haven, especially our boys, thank you for your kindness.

Sincerely,

A handwritten signature in blue ink that reads "Lauren Dean".
