Dear Jeff;

Many thanks for your most generous donation of approx. 600 "onesies" to Kids In Distress that you estimated had a value of \$1000. Please know that these items will make a difference in the lives of children who face an uncertain future.

Kids In Distress is indeed fortunate that we have established a friendship with you. Our association has meant a better future for children in need in our community

Best wishes to you and yours from all of us involved with Kids In Distress.

Sincerely,

Ezra M Krieg
Director of Special Projects

Please remember Kids In Distress in your will and estate plans.
