

October 10, 2007

Jeffrey Firestone
PO Box 273826
Boca Raton, FL 33427

Dear Jeffrey:

On behalf of The Leukemia & Lymphoma Society, thank you for your generous gift of \$500 made on 9/26/2007. Your contribution to the Society makes a real difference in our fight against leukemia, lymphoma, Hodgkin's disease and myeloma, as well as in our efforts to improve the lives of both patients and their families.

Because of the generosity of people like you, major advances toward cures for blood cancers are being made. A new oral medication recently approved by the FDA for patients with chronic myelogenous leukemia (CML), also shows great promise for treating other forms of cancer. Through contributions, the Society was able to sponsor the pioneering work of Brian Druker, MD, the researcher who played a crucial role in the development of this life-saving new treatment. In addition to research programs, we offer support groups, financial aid, information and advocacy programs for patients and their families.

This is a very exciting time to be involved with the Society. Innovative programming is under way and breakthroughs are within our reach. If you have any questions, please call us at (888) 478-8550. You may also follow our breaking news at www.lls.org.

Again, thank you for joining in our life saving efforts. Your support of our mission is deeply appreciated.

Sincerely,

Pamela Payne
Executive Director

For your tax purposes, this receipt will serve as our official acknowledgement of your contribution, in accordance with Section 170(f)(8) of the Internal Revenue Code. The Leukemia & Lymphoma Society did not provide any goods or services in whole or partial consideration for this contribution. Thank you again for your support. EIN 13-5644916
