To Whom It May Concern:

The National Coalition for the Homeless, a national network of advocates working to end homelessness through policy advocacy, public education and community organizing, would like to submit this letter of recommendation and commendation for the services provided by Jeff Firestone and the ChariTEES! company.

We recently submitted an order for T-shirts promoting the mission of our national non-profit. The service and expertise of Mr. Firestone and his employees was exceptional.

Communication was excellent as all staff of ChariTEES were cordial, professional and flexible. It was a pleasure to work with ChariTEES on this project!

ChariTEES was also very generous in offering their design, setup and shipping fees as a donation to the National Coalition for the Homeless. We are very proud to count the staff and company as a member in our organization, contributor, and ally in the fight to prevent and end persistent poverty and homelessness.

Our sincere appreciation is deserved for an excellent product, thoughtful customer service, and spirit of generosity.

With kind regards and deepest thanks,

Michael Stoops  
Acting Executive Director
